

Baird Medical Sponsored and Showcased Advanced Microwave Ablation (MWA) Technology at the Sichuan Medical Association Thyroid Disease Conference

January 6, 2025

NEW YORK, Jan. 6, 2025 /PRNewswire/ -- Baird Medical (NASDAQ: BDMD), a global leader in minimally invasive microwave ablation (MWA) technology, successfully sponsored and participated in the *4th Sichuan Medical Association Thyroid Disease Academic Conference*, held in Sichuan, China.

The highly regarded conference gathered top thyroid specialists and healthcare professionals to promote best practices in thyroid disease diagnosis and treatment. Baird Medical's sponsorship underscored its commitment to advancing medical innovation and fostering academic collaboration in China's growing healthcare sector.

During the event, Baird Medical presented its state-of-the-art MWA technology for thyroid nodules. The innovative solution, designed to deliver larger ablation zones and shorter treatment times, attracted significant attention for its potential to improve patient outcomes and set new standards for minimally invasive care. The company also engaged in high-level discussions with medical leaders, further solidifying its position as a key player in the global healthcare market.

"Our participation in this prominent conference reflected Baird Medical's commitment to supporting advancements in thyroid disease treatment," said Haimei Wu, Chairwoman of Baird Medical. "By presenting our latest MWA technology, we contributed to the ongoing dialogue on improving treatment options and patient outcomes. We remain dedicated to collaborating with medical professionals to promote innovation and enhance care standards globally."
