# Baird Medical Issues Statement Regarding Recent Share Price Volatility

November 4, 2026

NEW YORK, Nov. 04, 2026 (GLOBE NEWSWIRE) -- Baird Medical Investment Holdings Limited (NASDAQ: BDMD) (“Baird Medical” or the “Company”), a healthcare innovator dedicated to microwave ablation (MWA) technology, has provided the following statement regarding recent volatility in the market price of its ordinary shares.

The Company is closely monitoring these fluctuations in the market price of its ordinary shares and the associated trading activity, and is not currently aware of any material development or otherwise undisclosed reason that would explain the recent decline in its ordinary share price.

Baird Medical management believes that the Company’s current market valuation does not accurately reflect the strength of its underlying business fundamentals, capabilities, and growth potential. The Company remains committed to the execution of its growth strategy, and to preserving shareholder value.

**About Baird Medical**

Baird Medical is a global, pioneering medical device company specializing in minimally invasive ablation technologies for a range of solid tumors. The Company’s lead product, a microwave ablation (MWA) system, is FDA-cleared for soft tissue ablation and is being launched in the U.S. primarily for the treatment of benign thyroid nodules. In addition, the Company is expanding its minimally invasive technology portfolio, including IRE-based products and an AI-powered robotic ablation system.

Baird Medical's MWA solutions have been adopted by a growing number of leading U.S. institutions and private practice groups, including the Mayo Clinic, Columbia University Medical Center, and The George Washington University Hospital. The company is rapidly expanding its global commercial footprint, with sales now reaching markets across multiple continents.

**Forward-Looking Statements**

This press release includes certain statements that are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally relate to future events or Baird Medical's future financial or operating performance. In some cases, you can identify forward-looking statements by terminology such as "may", "could", "should", "expect", "intend", "might", "will", "estimate", "anticipate", "believe", "budget", "forecast", "intend", "plan", "potential", "predict", or "continue", or the negatives of these terms or variations of them or similar terminology. Forward-looking statements are subject to risks, uncertainties, and other factors which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These forward-looking statements are based upon estimates and assumptions that, while considered reasonable by Baird Medical and its management, are inherently uncertain. New risks and uncertainties may emerge from time to time, and it is not possible to predict all risks and uncertainties. You should not place undue reliance on forward-looking statements in this press release, which speak only as of the date they are made and are qualified in their entirety by reference to the cautionary statements herein. Baird Medical does not undertake any duty to update these forward-looking statements.

Actual results may vary materially from those expressed or implied by forward-looking statements based on a number of factors, including, without limitation: (1) the risk that Baird Medical may not be successful in expanding its business in China or the United States; (2) changes in general economic conditions; (3) regulatory conditions and developments; (4) changes in applicable laws or regulations; (5) the nature, cost and outcome of pending and future litigation and other legal proceedings instituted against Baird Medical or others; and (6) other risks and uncertainties from time to time described in the Registration Statement relating to the Business Combination and the transition report, including those listed under the sections titled "Risk Factors" therein, and in ExcelFin's other filings with the SEC.

The foregoing list of factors is not exclusive. Additional information concerning certain of these, and other risk factors is contained in ExcelFin's most recent filings with the SEC and in the Registration Statement described above filed by Baird Medical in connection with its business combination with ExcelFin. All subsequent written and oral forward-looking statements concerning Baird Medical, the business combination described herein, or other matters attributable to Baird Medical or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. Readers are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made. Baird Medical expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in its expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
